

The full-time admin your business **actually** needs.

*On your team full-time, vetted through five gates. **Starting at \$12.50/hr.***

The busywork is **burying you.**

11pm

The admin only gets done after the real work. You are answering emails and fixing the calendar at 11pm.

\$30K_{/yr}

You draw \$80K a year, about \$40 an hour. Ten hours a week on inbox and data entry is \$30K of your time.

Dropped

Leads go cold, follow-ups slip, and invoices sit. The things that grow the business fall through the cracks.

Not another app. Not a part-timer. A full-time admin on your team.

I didn't set out to build a VA company. I set out to **hire one**.

Premium Agencies 01

\$3-5K upfront, 90-120 day guarantees.
Every hire turned over right after the window closed.

Managed Model 02

They handled everything. Until I found my VAs took home **50% at best**. No stability, no commitment.

Going Direct 03

Compliance headaches and **\$4-5/hr roles** no one could survive on. My hires juggled five clients to get by.

So I built the system myself. It took Flylisted to seven figures across six states. **Staffify staffs admin** the same way.

— TESTED ON THE REAL JOB

Every admin clears a paid **skills test**.

A timed task on the actual work: triage a messy inbox, book against a real calendar, clean a spreadsheet, and draft the client replies. We grade it before anyone reaches you.

The same test every admin on our roster has passed.

— HOW WE BEAT THE ALTERNATIVES

Cheaper than in-house. More reliable than freelance.

STAFFIFY ADMIN / YR

\$26-29K

Starting at \$12.50/hr, all-in and billed bi-weekly. A dedicated employee, not a vendor.

US IN-HOUSE / YR

~\$65K

Salary plus payroll taxes, benefits, equipment, and recruiting. Two to three times a Staffify placement.

FREELANCE AND TASK APPS

\$0 continuity

Cheap per task, no one who learns your business. A new person every time, nothing owned, nothing vetted.

You save **\$35K+ a year** versus in-house. Reliable, because they are your employee.

Pick the path that fits your cash.

PATH A

Pay Upfront

\$2,499 standard onboarding

\$2,099 action taker, 24-hour decision
