The power of outsourcing.

- ✓ **Cost-effective.** Cut overhead like office space, equipment, and utilities.
- ✓ **Flexible.** Scale your team up or down as the business evolves.
- ✓ **Global talent pool.** A wider range of skills and expertise, at a lower cost.
- ✓ **Compliant.** Skip the complexities of stateside hiring and payroll. We handle it.
- ✓ **Balanced.** Delegate the busywork, reduce burnout, and get your time back.

A true extension of your business, **not a contractor.**

Vetted Talent

Every applicant clears screening, skills tests, interviews, and cultural-fit checks. Top 1% only.

Tailored Match

We learn your business and goals, and match for the vision you have for tomorrow, not just today.

Systems Integration

Custom workflows, channels, and SOPs so your hire runs as part of your team from day one.

Ongoing Support

Dedicated HR, performance guidance, and full payroll, tax, and compliance handled for you.

Our **approach**, end to end.

STEP 1

Recruitment & Vetting

Fewer than 1% pass our English, background, internet, and system-capability checks.

STEP 2

Business Consulting Call

A deep dive on your workflows, culture, and goals. We craft the job scope with you.

STEP 3

Curated Candidate List

Our top picks, on an easy review page. You interview, then approve.

STEP 4

Supported Interviews

You lead, we join to ask the key questions, then align on your ideal hire.

STEP 5

Seamless Onboarding

Backend setup, workflow integration, and SOPs so everyone starts aligned.

STEP 6

Ongoing Support

You delegate and scale, backed by our dedicated client-success team.

- ✓ No contracts
- ✓ Lifetime replacement guarantee

— REAL RESULTS, REAL VOICES

Don't take our word. **Take theirs.**

Aaron Bradley

Bluegrass Real Estate Media

"Staffify did all of the heavy lifting in terms of helping me find someone, hire someone, and offered so many resources on how to train them as well."

Patrick Szydlik

Hephaestus Innovation

"I couldn't be more thankful for Staffify. Our VAs have been killing it, they're unreal. We have probably the most advanced editing system in the world right now, all because of the VAs we got."

Trey Tatro

Amazing List Photos

"If you're thinking about working with Staffify and getting a VA in place to help your team, trust me, you're at the point where you definitely need it. Do it."
